

April

(tune: The More We Get Together)

Oh, A-P-R-I-L,
It's Ap_il, it's __pril,
Oh, A-P-R-I-L,
It's Apri_, my friends.
When green leaves are showing,
And flowers are growing.
Oh, A-P-R-I-L,
It's A_ril, my friends!

Sequence the pictures to show how a flower grows.

April Song

(Tune: Bicycle Built For Two)

April, April,
Days may be warm or cool.
Let's have fun but
Don't be an April Fool!

We'll work on our garden flowers,
And watch for April showers.

On Arbor Day

We'll sing and play

As we plant a new tree at school.

April, April,
Time for a holiday.

Easter bunny

Hopping along the way!

The leaves on the trees are growing.

The farmers now are hoeing.

It's green, it's spring,

It's time to sing

Now that April is here to stay!

April Poem

April showers bring May flowers.
At least that's what they say.
But all I see is rain, rain, rain...
When can I go and play?

Is it raining today?

Yes

No
