In August

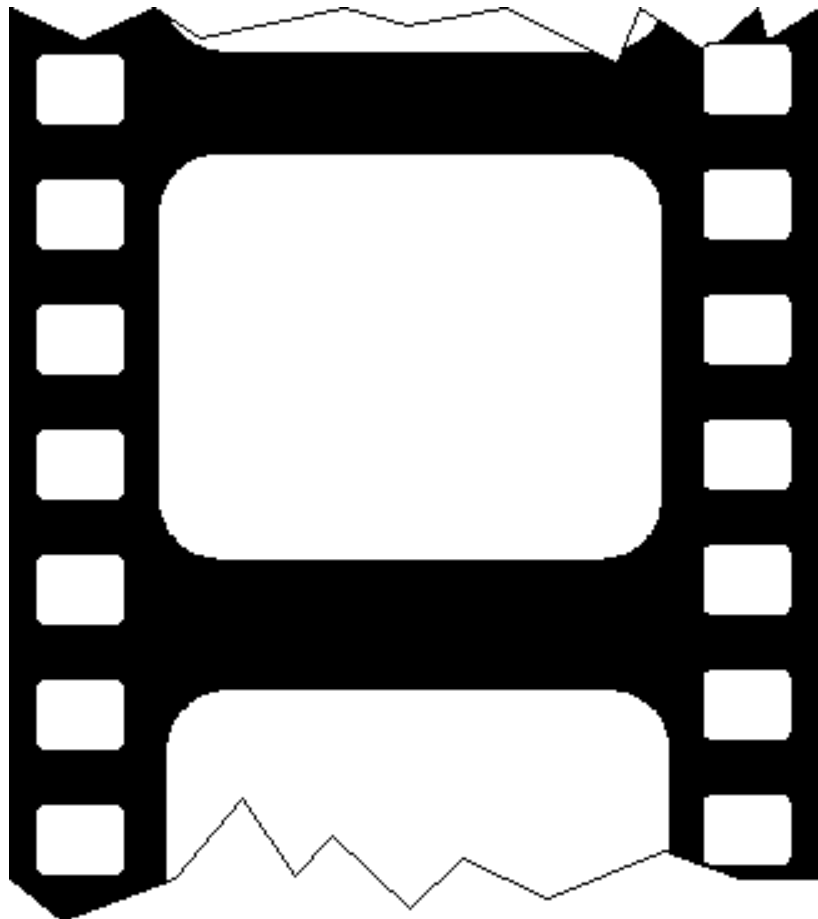

(Tune: "Over the River and Through the Woods")

Late in the summer, before the fall
It's off to school we go.
We get on the bus which carries us
To a building we all know!

Late in the summer, before the fall
I find the class for me.
The year is new, new things to do,
I'm happy as can "bee."

Late in the summer, before the fall

The teacher is there beside her chair
And gives a big "hello!"

Late in the summer, before the fall
I'm in my class with friends!
The school year brings exciting things-
I hope it never ends!
