

March

The month of _____ is marching in,
Hurrah, hurrah!

The month of _____, let spring begin,
Hurrah, hurrah!

The month of _____ is marching in,
And birds return from where they've been,
And we all feel good
When _____ is marching in!

The month of _____ is turning warm,
Hurrah, hurrah!

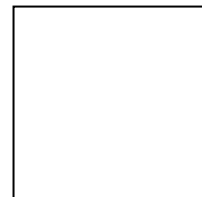

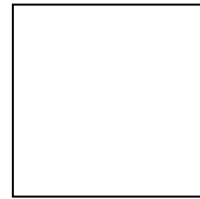

And tiny buds begin to form,
Hurrah, hurrah!

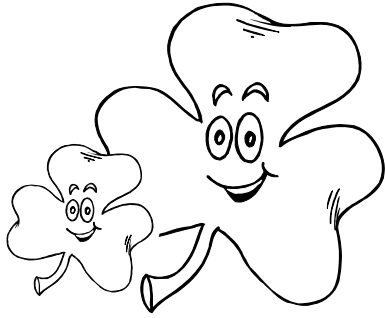

The month of _____ is turning warm,
And bugs and bees begin to swarm,
And we all feel good
When _____ is marching in!

The month of _____ brings happy days,
Hurrah, hurrah!

We celebrate in many ways,
Hurrah, hurrah!

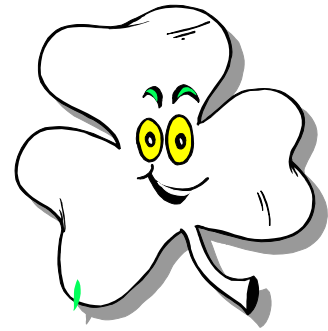

The month of _____ brings happy days,
St. Patrick's Day has great parades,
And we all feel good
When _____ is marching in!

March

(tune of Old MacDonald)

In the spring there is a month,

--	--	--	--	--

And in that month we have some fun,

--	--	--	--	--

With a shamrock here...

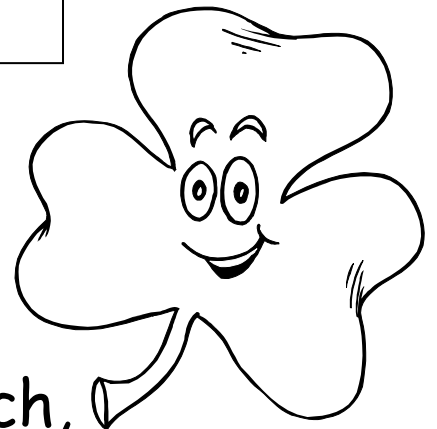

And a leprechaun there...

Here a pinch, there a pinch,

Everywhere a pinch, pinch,

In the spring there is a month,

--	--	--	--	--

March

Fickle month
To you we sing.
Are you winter
Or are you spring?

Tally the weather each day: Is it more like winter, or more like spring?
(The kids can either make actual tallies, or use stickers/stamps, etc)

Spring

Winter
