

September

All year long

We will remember

The fun that we had

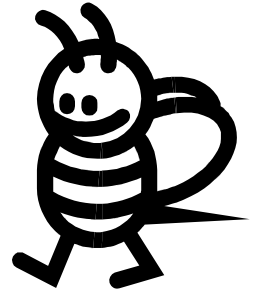

When it was

Draw something fun we did in September.

September Song

(Tune: Oh, Susannah!)

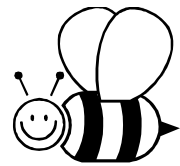

When we reach the end of summer
And it's time to start the fall,
I remember it's September,
My favorite month of all.

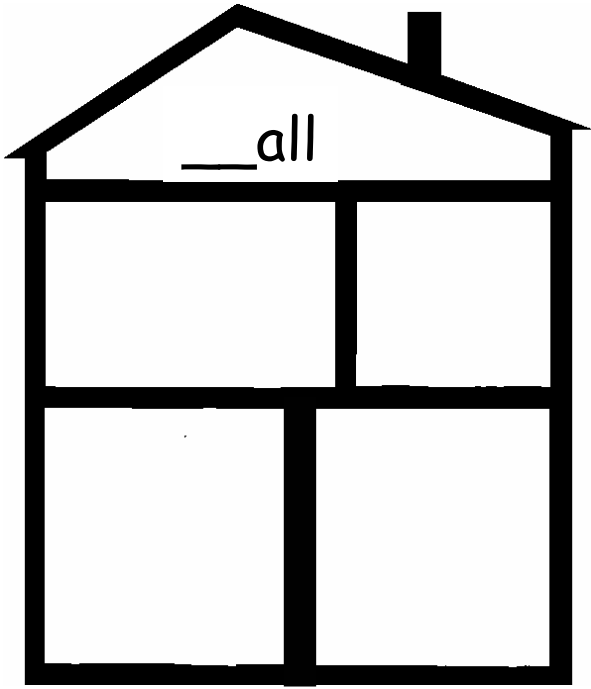

When we all go back to school,
Back to work and back to play
I remember it's September
And time for Labor Day.

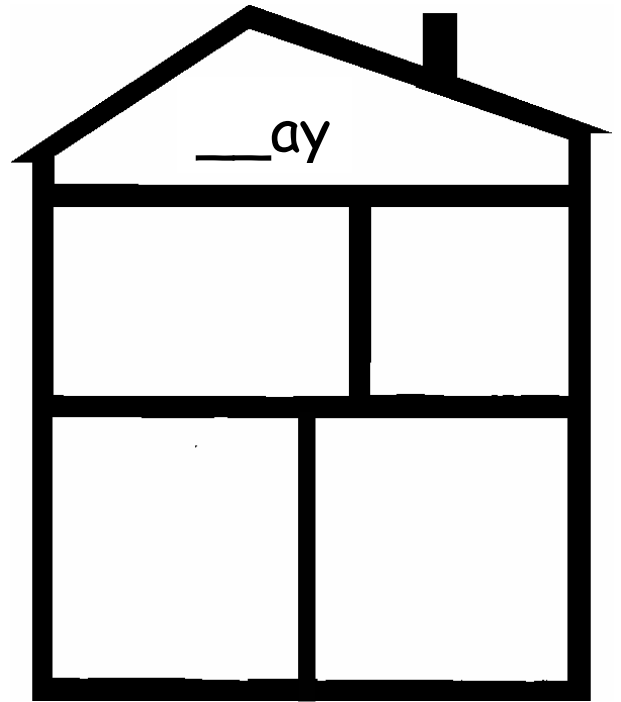

Oh, September,
That's the month for me.
I remember it's September
And I'm happy as can "bee!"
