**I**  
**A**  
**E**

**N**  
**E**

The image features the words 'CAN', 'SEE', and 'STE' arranged in a grid. Each letter is a thick, black, sans-serif font. At the top of each letter, there are two small, white, cartoonish eyes with black pupils, giving the letters a face-like appearance. The letters are arranged in three rows: the first row has 'C', 'A', and 'N'; the second row has 'A', 'A', and 'E'; the third row has 'S', 'E', and 'E'. The 'I' is positioned above the first 'A' in the second row. The 'S' is positioned below the 'C' in the first row. The 'E' is positioned below the second 'A' in the second row. The 'E' is positioned below the 'N' in the first row.

What do you know about flowers?
