

Jack and Jill

Up the hill,
went Jack and _____.

They walked and climbed and looked around
while standing on the _____.

Get me an apple from my sack,
I'm very hungry said little _____.

"Jack," said Jill,
"This is such a BIG _____!"

Don't worry Jill, soon we will be,
past these three big _____.

It's water we need, we shall not fail,
and that is why I brought my _____.

We're here, Jack said as he gave Jill a push,
Let's rest a bit over by that little _____.

If it gets dark, we'll need a candle,
so hurry and help me turn this _____.

And with a glimmer of hope,
Down, down went the _____.

And to their surprise,
as they looked to the blue _____.

Jack stumbled and fell,
away from the _____!
