

# Plum Loco Visit

In kindergarten we study the farm. We talk about things grow on a farm, different animals on a farm, and what work needs to be done on a farm. We also discuss how farms are the rural part of a community.

The kindergarten students will be visiting the Plum Loco Animal Farm on Wednesday, May 30. The kindergarten classes will take buses to the farm, leaving school at 9:00. We will visit the animals and tour the sights of Plum Loco until 11:30, and then head over to Sunset Park in Sturgeon Bay for a picnic lunch at the park. We will return to school by 1:00.

Each class is in need of a few chaperones for this field trip. The chaperones would need to be at school by 8:45. If you are interested in being a chaperone please indicate that you are interested by filling out the appropriate part on the bottom of the form. Please keep the top portion of this form for your information. If your child is allergic to a particular animal or animal feed please indicate that below. Also, fill out the permission slip and sign and return it to school by Friday, May 25, 2007.

Thanks for your help!
