

# Wonderful Weather

I like to watch the way the wind  
can spin a weather vane.

I like to wear my big blue boots  
to splash within the rain.

I like to ride my bright red sled  
on cold, snowy days.

I like to feel the sun's warm rays  
when I swim in watery waves.

Wind, rain, snow, and sun  
Every kind of weather  
is wonderful and fun!
